3. Reasons for the revisions

The Company initially withheld its forecasts for consolidated and non-consolidated full-year financial results for the fiscal year ending March 31, 2025, due to ongoing investigations and assessments of the damage caused by the fire at the Ueda No. 1 Mushroom Center on October 29, 2024. However, based on the currently available information, projections, and other considerations, we are now announcing the revised forecasts.

Note: The forecast figures for earnings and other matters in this document are based on information currently available to the Company and certain assumptions deemed reasonable. Actual results may differ materially from the forecasts due to various factors.
